

02/03/21

- Trustees are asking the church to approve a replacement heater for the church. Currently the church as an oil burning furnace/boiler system. With having it checked out it was determined that it was only 85% efficient. A new propane furnace to replace will cost \$9500 and will be 95% efficient.

1<sup>st</sup> motion to accept : Chelsea LaRoache      2<sup>nd</sup> by Jodi Montgomery      All in favor

1<sup>st</sup> motion to close the meeting: Chris Montgomery      2<sup>nd</sup> by Tonia Spencer      All in favor
